THE STUDENTS, FOR THEIR HARD WORK, AND SHARING THEIR TALENTS WITH ALL OF US!

Concert Etiquette

Welcome to the Eastern Lebanon County School District's performing arts season. We appreciate your attendance in support of our performing ensembles. Following are some simple guidelines to ensure a peaceful environment necessary for the enjoyment of musical performances. Thank you and enjoy the concert!

Please do not enter or exit during a performance while an ensemble is performing. Wait for an appropriate break in the program – then quietly find a seat or exit.

Please do not talk, rustle your program, or open papers or wrappers during a performance. Please refrain from snapping gum, blowing bubble gum bubbles, or eating food and drink during a performance.

Please do not wave or talk to the musicians.

Small children and infants truly deserve the experience of art performances, but can be a distraction to the performance if they become unruly. Please do not hesitate to excuse yourself and take them to the lobby or restroom areas until they are calm.

Watch alarms, cell phones, and any other devices should be turned off, or set to a silent mode prior to the performance's beginning.

Please do not take flash photographs during the performance of a piece of music. A sudden, bright flash of light can distract or temporarily blot out a performer's vision. After a piece of music is over, pictures are more than appropriate, for at this time soloists or ensembles are usually acknowledged.

Reserve applause for when the conductor comes to the front of the ensemble and at the end of a piece of music (when the conductor's arms are lowered to the sides).

Videotaping or audio taping the performances is a violation of the copyright laws of the United States of America. As an educational tool, ELCO Schools are permitted to make a recording for review and use with the students.
